

# AP ART & DESIGN

## SOCIAL ISSUE RUBRIC

Score 1-5

### 1. Materials

Are the chosen media and techniques supporting the inquiry question?

### 2. Processes

Are the physical and conceptual activities involved with making the artwork evident on their website (mind map, research, thumbnails, and debatable question)?

### 3. Ideas

Is there a *clear* visual relationship between the debatable question, the process, and the final artwork?

### 4. Art & Design

Does the artwork include technically advanced (highly developed) skills consistent with AP-level standards?

**5. Originality, Imagination, and Invention**

Explain how this work reflects the imagination and ability of this artist. Is it original or cliché?

**6. Biggest Strength**

What is the strongest thing about this work?

**7. Areas of Growth**

What specific actions could the artist take to improve?
